

Community Participation in Community Health Network

Are you responsible for consumer and community participation in your community health service?

Then come along to the
Community Participation in Community Health Network

The Network meets bi monthly and provides an opportunity for staff in community health settings working in the area of community and consumer participation to network and share resources.

If you are interested in receiving information about the network meetings please send your contact details to

Bich Ha

Manager, Community Building/Health Promotion
North Yarra Community Health
622 Lygon Street, North Carlton 3054
9349 7307 (Direct line)
0418 998 469
